

## G-CAT Board Meeting 8/20/2012

### In attendance:

Loren Janulewicz  
Larry Ransford  
Vic Evans  
Irene Young

### Minutes approved

### Discussion:

- We reviewed the financials. Numbers are a little down but still profitable. Tournaments are a little less than \$60,000 so far this year. League participation is dropping as the season progresses.
- The Inclubgolf discussion has ended, they decided that our market did not fit their plan.
- Bob has been able to buy a new greens mower so we now have two. He will be aerating and sanding sometime in September (date to be set by Bob).
- Still need to clean driving range mat and replace the rubber tees (tees have been ordered).
- Email was sent to men's club members stating certificates need to be used by 12/31 and how they can be used.
- In the process of getting new score cards that will include pace of play times for holes. Need to make sure to have correct slope and rating.
