

G-CAT Board Meeting 10/15/2012

In attendance:

Loren Janulewicz
Larry Ransford
Vic Evans
John Hartnett
Irene Young

Discussion:

- We reviewed the financials. Another good month even though there were additional expenses for fertilizer and running the pumps.
- Had a good year with revenue from outside tournaments. We received about \$60,000 this year compared to \$35,000 last year. Ed and the pro shop did a good job of running those tournaments with minimal impact to any league play. Several tournament have already expressed interest in having their tournament at our course again next year. Ed is starting to work on tournaments for next year and following up with the tournaments that were held this year.
- Finalized the Annual Pass and Premium Cards for next year. A single pass is \$2000 and \$1000 for a spouse or significant other (with same address). **There is a 10% discount off the cost for Heather Ridge Metro District Residents/Homeowners.** This discount will be noted on the pricing sheet. Also if the annual pass is purchased in December, there will be a 15% discount on all merchandise purchased in the pro shop in 2013.
