

G-CAT Board Meeting 1/20/2014

In attendance:

Loren Janulewicz
Larry Ransford
Vic Evans
Irene Young

Discussion:

- December minutes approved.
- We did not review the financials since year end results were not available at this time
- We will go to a premium service with Golf Now which gives a better exposure at a cost of one additional tee time. The tee time does not have to be a prime tee time, it can be any time.
- Tree removal and retaining wall repair are in progress.
- Will run two specials at the Golf Expo which proved to be beneficial and eliminate a couple that did not prove beneficial. Larry kept track of which specials were bought and which were used during the year to help in judging their value.
- Meeting adjourned.
