Discussion:

- August minutes approved.
- Reviewed financials. Rounds were 5124 compared to 4555 last year.
Revenue was \$132,402 up \$10,172 from last year.
Profit was \$61,494 up \$15,609 from last year.
- Aeration took longer than planned since had equipment issues. Bob had to borrow some equipment to finish. It has been completed and mother nature is helping.
- We have about \$51,000 already booked for outside tournaments next year (that is comparable to this year).
- The signs identifying holes 10, 14, 16 and 18 are in place. We still have some issues identifying hole 7 tee box.
- We reviewed the September 4th incident (there is a police report that is a public record). Currently we are reviewing our policies and awaiting results of the legal proceedings.
- Meeting adjourned.
