No meeting minutes were available

Treasurer's Report:

\$1500.00 was spent on Heather Ridge Boards cocktail party

New Business:

Guest Veda White presented information on her Neighborhood Watch. She organized her community at Summit Park and it has been very successful. She stated that you must make it easy to do to get people involved. She gave out information and also suggested the use of e-mail to contact people in the community.

Beverly Brown from Strawberry is heading up the Neighborhood Watch for the Metro District communities.

Unfinished Business:

1. Metro Matters (Van, Bette, Lana)

Lana continues to work on updating the mailing list. The men and women's golf club and the annual

members of the golf club are now included.

Bette is writing a "Safety and Security" column

Van is working on a real estate website to help buyers and emphasize the uniqueness of our community's. Each community having it's own HOA and rules but together a Metro District.

2. Social Functions (Edie, Susan, Ginny)

The annual Boards cocktail party was discussed. Suggestions made to change the date next year to September and also change the time to 6-7:30 p.m.

3. Friends of the Fairway (Pat)

There were only 5-6 entry's so it was decided not to have a contest. The entry's will be featured in the Metro

Matters and receive a small gift.

4. Golf Ball Damage

The Metro District and Golf Club need to be included in this discussion as HOA have different guidelines.
